TO,

THE PRESIDENT/ SECRETARY

ABAD CHANCELLOR ASSOCIATION

THRIKKAKARA, KOCHI-682021

INTRODUCTION

TRICHROMATIC is a **Registered [Reg No. KL-02-0036109]** and **Licensed [Li No. A3-423/2022/2022-23/257]** social enterprise working with formal waste pickers and bulk waste generators to create inclusive, financially viable and environmentally sustainable waste management models. Simply put, we help you divert waste from the landfill to green end-points. We are an independent waste management service, and we can offer you professional solutions at an exceptionally cost-effective rate. When you work with us, we can save you a minimum of 20% on the cost of your current waste management services.

We are the accredited service provider in Kerala having registered office at Perumbavoor. **TRICHROMATIC** is led by **Professional Social Worker** having wide range of knowledge and experiences in solid waste management sector. **Trichromatic is serving 2900+ families per day.** We believe in the concept of **“Waste is not Waste, Until We Waste it”**, for that, we bring together nature, people and technology to provide the most impactful waste management solutions that maximize resource recovery.

RRR Principles

We strongly believe in the **RRR** principles of **Reduce, Reuse & Recycle** concept. **We have developed an eco-composting system** to reduce the biodegradable waste. Working to meet the needs of all our clients on an individual basis, we offer tailored services to assist with the management, storage, collection and disposal of waste. We work with clients across a range of sectors to help them deal with all types of waste. We have a large space of **Material Recovery Facility Centre** for Reuse & Recycle of non-biodegradable items. Through **RRR** principles, we create a Zero waste revolution for descendants.

TRICHROMATIC VALUES

Of course, underlying all of these ambitions are a new set of values which underpins everything we do. So what are Trichromatic people like? If you are joining the Trichromatic team, what can you expect from us as a business. These values - which were co-created with our people - should give you a flavour. What we deliver is important, but so is how we deliver it.

- ❖ ***We lead with ambition-*** Through world class leadership we strive for success through our people. Leading our sector with innovation, teamwork and pride in our purpose.
- ❖ ***We believe in each other-*** Safety is at the heart of all we do. Working together to achieve results - and we always have each other's backs.
- ❖ ***We rise to the challenge-*** We drive customer and market needs. We take accountability for our actions, and we will never compromise on doing the right thing for our customers and people.
- ❖ ***We look after tomorrow-*** We are resourceful, always striving for better and delivering quality for our customers. All of this is built on the foundations of strong, long-term relationships.
